CAT 6A UTP 10Gig Copper Cabling System

Keystone Jack

Toolless Category 6A UTP Keystone jack, RJ45, 10 Gb/s, 8-position, 8-wire universal module. Dust cover with printed Cat6A logo included. Termination cap is color-coded for T568B wiring schemes only. Exceed requirements of ANSI/TIA-568-C.2 Category 6A, IEEE 802.3bt (PoE++, 4PPoE) and ISO 11801 Class EA channel standards. ETL Verified to IEC 60603-7-4.

Patch Panel

24-port high density patch panel supplied with rear mounted cable manager which offer easy cable routing and bundling utilizing. Accept AL08UC6A, which snap in and out for easy moves, adds, and changes. Pre-printed numbers at each port for easy identification. Mount to standard EIA 19" racks. ETL Verified Certificate Qualified mounting system for alien crosstalk compliance.

Cable

Category 6A U/UTP cables are designed, manufactured and tested in accordance with the ISO, EN and TIA standards for Category 6A. As such they are suitable for the support of high speed enterprise LAN and datacenter applications such as 10 Gigabit Ethernet. Category 6A, low smoke zero halogen (IEC 60332-1), 4-pair, U/UTP copper cable with HDPE insulation twisted pairs, 23 AWG, separated by an integrated pair divider.
