

Technical datasheet for:

## C-Box

### General data

|                     |   |
|---------------------|---|
| <b>Item</b>         | Cable-Box   |
| <b>Description</b>  | The C-Box will be used to protect overlength of micro-cables in manholes. |
| <b>Package unit</b> | 1 Pcs.  |

### Technical data

| Quality          | Value                           |                           | Unit |
|------------------|---------------------------------|---------------------------|------|
| <b>Material</b>  | Acrylnitril-Butadien-Styrol ABS |                           |      |
| <b>Dimension</b> | Type A:                         | L = 600; B = 300; H = 120 | mm   |
|                  | Type B:                         | L = 650; B = 680; H = 160 |      |

**gabocom is certified by the quality system following DIN EN ISO 9001, the environmental management system DIN EN ISO 14001 and the energy management system DIN EN 50001. The used materials meet the REACH default (EU regulation 1907/2006).**
