

ECS 0U MOUNTING BRACKET 1 SLOT HD UNLOADED

HD Zero RU Bracket, a state-of-the-art product designed to enhance your networking infrastructure. This innovative detachable bracket offers a sleek and space-saving solution for mounting HD zero rack unit equipment effortlessly to free up extra space in the cabinet. The bracket installs vertically in the cabinet rail and creates a convenient point for distribution of patch cables within the vertical racking system.

The HD Zero RU bracket accepts all types of HD range modules and plates. The Bracket is supplied unloaded and the modules and plates are supplied separately.
