

# Sticklers™ CleanClicker™ 750 Fibre Optic Connector Cleaners

## Self-aligning clicker for cleaning both ends of a connector pair

- Click-to-clean dust particulate and oil contamination
- High purity cleaning strand delivers perfect cleanings with a single click
- Uses super-smooth activation with light tip forces to deliver great cleaning with no risk of damaging the end-face
- Long barrel length to operate in high fibre-count panels without disrupting adjacent connectors
- Money-saving refills sold in pack of two cartridges
